

The Story of the White Wall / একটি সাদা দেয়ালের গল্প

Audio loop, 17 min 14 sec

This soundtrack is made with recordings made at Chitrlekha Chaudhury's house. When visiting her, we introduced her to her 1956 recording from the British Library. She told us the story of her mother's fresco in Dhaka. Her mother, Chitrlekha Chowdhury, was one of the first female students of Kala Bhavan and an accomplished artist in her own right. From Chitrlekha the story went to Dhaka, where Chitrlekha's fresco once adorned the walls of what is now the storage room of a water filter distribution firm.

With additional research by Nisar Hussain of the Department of Fine Arts, Dhaka University. Also includes voice of Nisar Hussain.
